TRANSMISSION GRANDS MILLÉSIMES BRUT

"Our cuvée Transmission Brut embodies what time, patience, and high standards can reveal at their noblest in Champagne. Three remarkable vintages (2012, 2013, 2014), over eight years on lees: a rare signature, defying conventions, for a wine of emotion and depth."

— Virginie Taittinger & Ferdinand Pougatch, Cellar Masters

At VIRGINIE T., we chose to make Transmission an exceptional creation, crafted only from truly outstanding vintages. No compromise, no artificial consistency: there was no Transmission in 2017, for example. We prefer silence to convenience, and faithfulness to excellence over regularity.

Transmission Grands Millésimes is composed of a unique blend of the 2012, 2013, and 2014 harvests, built like a perpetual reserve to express maturity, freshness, and the complexity that time alone can bring.

This Champagne spent over 8 years on its lees — twice as long as the average among major houses — resulting in a creamy texture, fine bubbles, and exceptional aromatic depth.

You'll find rare aromas: warm brioche, gingerbread, candied citrus peel, white peach, dried fruits, chalk, and a lingering, almost saline minerality that reveals the wine's terroir origins.

70% Pinot Noir
20% Chardonnay
10% Pinot Meunier

—
Dosage Brut: 6g/L

—
Harvest: 2012/2013/2014

Aging: minimum 8 years on lees
